WELLNESS IN NATURE: ROOTED IN WELLNESS

June 2026

About the Program

What is Wellness in Nature?

Wellness in Nature: Rooted in Wellness is a free program that brings people together to talk, learn, and grow. Each session is led by a wellness specialist and offers a relaxed, welcoming space for everyone.

We meet on Fridays at noon, from May through September. Each session is a "walk and talk," so you can move at your own pace with no pressure. All fitness levels are welcome.

On the last Friday of each month, a park ranger will lead the session at Foster Falls.

What We'll Talk About

Each week focuses on a new wellness topic. These may include stress, movement, emotional health, and building resilience.

What You'll Gain

You can learn more about yourself, build healthy habits, connect with others, and take simple wellness tools into your daily life.

Reminders

- Wear comfortable clothing and walking shoes.
- Bring water, a snack, and anything else you may need.
- Check the weather before you come and dress for the day.
- There is a \$7 parking fee (waived if you have a state park pass).
